

Team Transportation Form

America's Showcase will provide transportation to and from Pittsburgh International Airport and the Doubletree Hotel for “all players and staff” of each team traveling by air. The *America's Showcase* will be providing this service at no charge to each team. However, this applies **only to Pittsburgh International Airport** and applies to **one arrival/pick-up and one departure/return per team**. If your team is traveling together, please fill out this Team Transportation Form.

If any of your players will be arriving on different flights, please convey this information to Ray Borkoski so arrangements can be made to have these individuals, not traveling with your team, connect with another team for transportation to or from the hotel.

All Transportation Forms **must be emailed or faxed to Ray Borkoski by March 15th** Fax # is 724-763-1199.

You must contact Ray Borkoski by email at rbork@Windstream.net by **March 15th** to inform him of your transportation plans. If you do not contact Ray by this date you will be financially responsible to provide your own transportation to and from Pittsburgh International Airport. If you have any questions or concerns, please contact Ray on his cell phone 724-525-3921.
